HONKYOKU RECORDINGS AND SCORES

The following files are the first (*shoden*), the second (*chuden*), and part of the third (*okuden*) 'rank' of honkyoku as taught to me by Sakai Chikuho II, the second *iemoto* of Chikuho Ryû. The rest of the pieces will be added in time. Eventually, recordings of all 80+ Chikuho honkyoku, all performed on a 1.8 shakuhachi, will be on this page. Please download to use for learning purposes. For the complete set of Chikuho Honkyoku as taught to me by Chikuho Sakai II, see below.

Listen to the recording by Riley Lee just by clicking on to the given links. The mp3 file will appear in a new browser window. Neither the recordings nor the scores are for distribution or duplication. The recordings were made at home. They are not 'studio' quality, but fine for learning the pieces.
